BIRD WALK REPORT
HALF MOON WMA
3-26-19

Leader: Barb Gay

A great day at Half Moon with 61 species. Our spring arrivals were: Yellow-throated Vireo, Red-eyed Vireo, Summer Tanager, Great Crested Flycatcher, Swallow-tailed Kite and Mississippi Kite. Not everyone saw every bird as some of them were quick fly overs. The Wild Turkey was herded down the road by the cars in the front, fences on both side, but she finely made it into the field. All had a great lunch at Catfish Johnny's. Thanks for joining me and hope you all had a great birding experience.

NEXT UP:

Cedar Key on Friday 4-5, more info to follow.

Stop, Look and Listen
