[the-village-birders] Birds seen at Venetian Gardens 1/27/22

We had 25 birders show up this morning at Venetian Gardens. Even though it was in the low 50's with an irritating breeze, we managed to see 45 species and get some great photos. Great views of a resting Bonapart's gull, a yellow throated warbler and yellow bellied sapsucker made it a great morning.

Wendy was kind enough to prepare the bird list, thank you Wendy!

Thank you everyone for coming out today, and stay warm this weekend.
